#	RESPONSES	DATE
1	Uncertain future	10/7/2019 1:43 AM
2	Growth and good mixture of developments	10/6/2019 9:53 PM
3	not sure	10/6/2019 8:18 PM
4	Allowing developers to come into the township to make a quick profit, then leaving the Township with a mess.	10/6/2019 7:01 PM
5	transition seperation between residential property and commercial property	10/6/2019 7:00 PM
6	the never ending rising of property taxes	10/6/2019 4:33 PM

8	Concern over future development	10/6/2019 3:54 PM
9	Too much development of communities that are quickly built with inferior quality.	10/6/2019 3:48 PM
10	Greedy developers wanting to add rental properties (apartments) near existing communities. Dixon's plan to add rental units in the final phase of Aspen Trails is exhibit #1. This would have provided a nice source of cash for the developer, but would have ruined a fine community.	10/6/2019 3:22 PM
11	Lack of diversity within the township	10/6/2019 2:01 PM
12	Perception that builders have gone crazy with subdivision growth without promoting the plan for nature/green spaces and restaurants without any green space around them.	10/6/2019 1:16 PM
13	Over growth & development	10/6/2019 12:14 PM
14	Security. Should be able park my car on the driveway and no worry about someone breaking into it. Please gentrify the surrounding neighborhoods.	10/6/2019 11:38 AM
15	Overcrowded roads	10/6/2019 11:31 AM
16	The big home building company's (Fisher, MI, etc) coming in and putting in cheap subdivisions and not finishing them. The Twp. and county don't listen to the residents that are being effected whether it's rain water runoff or police and fire services. The pass the buck it's not my problem mentality of the Township's elected officials and the County's engineering department will make the Twp. Unwelcoming for future residents.	10/6/2019 11:28 AM
17	Overcrowding. Taking away the green spaces	10/6/2019 11:27 AM
18	The parks are not very good and we are destroying all the natural land.	10/6/2019 11:06 AM
19	Traffic!	10/6/2019 11:05 AM
20	Roads are not safe. Not saving and green space. Stop building neighborhoods on every single inch of land. We used to have farms...no more.	10/6/2019 10:17 AM
21	Managing growth versus traffic	10/6/2019 9:41 AM
22	Unsure	10/6/2019 9:27 AM

24	overgrowth, increasing taxes	10/6/2019 8:39 AM

30	I guess road and highway widening.	10/5/2019 10:05 PM
31	High property taxes	10/5/2019 10:04 PM
32	Trying to bring in low income housing.	10/5/2019 9:41 PM
33	Not enough tax revenue and growth too fast	10/5/2019 9:22 PM
34	Roads and overcrowding the whole township with more housing. Puts too much strain on roads and infrastructure. With some of the older subdivisions not having kids in school any longer that may be off setting the new developments.	10/5/2019 9:18 PM
35	Growth faster than infrastructure can support.	10/5/2019 9:03 PM
36	Urban Sprawl, Over development and the destruction of the rural community ambiance.	10/5/2019 8:53 PM
37	Need for responsible sustainable commercial growth- one chance to get this right	10/5/2019 8:46 PM
38	The schools keeping up with population growth.	10/5/2019 8:42 PM
39	The Milikin exchange. It will absolutely ruin the feel of Liberty Township. The Township has a family friendly, slightly rural feel and it's just a wholesome place to be. The milikin exchange will add a lot more traffic and warehouses will ruin the look and feel. Nothing is wrong with having farm land or empty fields. We don't need to use every piece of space we have. Warehouses and manufacturing are rough and not 'friendly feeling', semis will replace family SUV's and clog up our backroads.	10/5/2019 8:27 PM
40	Loss of green spaces (to new housing communities, new and unnecessary retail plazas, and large warehouse buildings)	10/5/2019 8:09 PM

47	Lack of public transportation	10/5/2019 5:41 PM
48	To much rental property	10/5/2019 4:58 PM
49	Controlled economic growth	10/5/2019 1:50 PM
50	A growing population with rural infrastructure that	10/5/2019 12:16 PM

55	Over commercialization	10/2/2019 6:19 PM
56	Smart development. Don't build a bunch of strip malls that will get abandoned in twenty years.	10/2/2019 7:50 AM
57	Growth	10/2/2019 7:39 AM
58	More infrastructure. Traffic congestion in same areas when we need more ways around the traffic.	10/2/2019 12:26 AM
59	The tax burden of Lakota Schools. And an increasing Fire Levy (the most recent is a continuing levy, so it will not return to the ballot, yet, the Township FD just got a 1 million+ grant for 3 years to hire 9 firefighters. Once those 3 years are over, one of 2 situations occurs. 1) the Firefighters get laid off because the budget never had the money to afford them in the first place or 2) our taxes get jacked up to pay for continuing to keep these 9 that our township could not afford the first time around. I think the #1 issue facing Liberty Township is career politician Trustees.	10/1/2019 2:08 PM

74	Lowering property values	9/20/2019 1:14 AM

76	Lack of a cohesive community	9/18/2019 5:57 PM
77	Housing/subdivision over-development	9/18/2019 12:42 PM

91	Construction	9/14/2019 9:44 AM
92	Don't know if it is #1 but all the development has changed the water table and I for one have seen more issue with water run off in my yard. This will cause septic issues. Concern with farm land being bought up for more homes	9/14/2019 9:19 AM
93	Access with quick growth	9/14/2019 9:06 AM

94	The township's middle-aged and elite demographics, who put our communities in a chokehold whenever change is necessary. In the past, some businesses that hoped of joining our township were ridiculed and even chased away by this older group of residents, due to one or more opinions they believed were shared by the rest of us. I fear that our lack of progression is due to those who want things to stay exactly the way they are now. With our township's population surpassing 40,000 recently, we need to start acting like a city and find ways to sustain business and work here. Having our residents leave Liberty Township to go to work in neighboring communities is not moving forward; it's being stagnate.	9/13/2019 6:16 PM
95	Over-growth and over-development	9/13/2019 8:55 AM
96	explosive growth, school budget strain is affection quality of education	9/13/2019 8:47 AM

102	More growth of families.	9/12/2019 9:06 PM
103	Overspending , over building and taxing private homeowners too much and not enough taxing of businesses.	9/12/2019 8:55 PM
104	Getting rid of all farm land for subdivisions The trustees stink	9/12/2019 8:39 PM

111	Controlling growth and crime	9/12/2019 5:18 PM
112	Traffic	9/12/2019 4:57 PM
113	Vacant property along Cin Day Rd. Need additional exit ramp at Millikan to ease traffic off of 129 and Cin Dayton Rd	9/12/2019 4:08 PM
114	Housing is too high, roads are not conducive to the traffic for the constant new developing neighborhoods. Retirement here is difficult due to the fact that builders build very few Ranch homes these days, why is that? Roads are fine to shopping and entertainment. These need fixed way before the Union Center thing going on (Irelaize that is not Liberty Twp). If it's not broke why fix it....fix what is broke. Way took many roundabouts put in before actual roads are fixed. Roundabouts have created yet more seep on these already dangerous roads.	9/12/2019 3:52 PM
115	The balance between financial stability/fiscal responsibility and improvements that keep up with current demands for amenities that make a community appealing.	9/12/2019 3:41 PM

125	Over building	9/12/2019 2:19 PM
126	Rate of growth	9/12/2019 2:14 PM

133	Traffic/rate of growth	9/12/2019 1:39 PM
134	Growing too fast and developing too much land into residential and/or commercial space.	9/12/2019 1:28 PM

139	Adding more high paying jobs by attracting more investment along the I75 corridor. But need to add additional I-75 interchange(s) between Monroe and 129	9/12/2019 12:38 PM
140	Overdevelopment	9/12/2019 12:37 PM
141	I see all the zoning request for building new homes and am afraid that we will no longer have that best of both worlds feel since all the farmland will be developed.	9/12/2019 12:15 PM
142	Overcrowded roads. Need Millikin 275 interchange!	9/12/2019 12:07 PM
143	too much development	9/12/2019 12:06 PM

150	Over development. Traffic	9/12/2019 11:32 AM
151	Over development without adequate green space, Bike lanes on major roads	9/12/2019 11:17 AM
152	Maintaining green space and road safety	9/12/2019 11:08 AM
153	There have been higher quantity of reports of theft, burglary, and vandalism on platforms like Nextdoor	9/12/2019 10:56 AM
154	NA	9/12/2019 10:53 AM
155	highway capacity, when and how much to limit development. Less is more. Contractors and politicians only concerning with making money.	9/12/2019 10:51 AM
156	Traffic. especially on 75, cin-day and 129	9/12/2019 10:46 AM

157	Overdevelopment. Leave the land alone. It's prime farmland, and the population continues to grow. We don't need more homes, apartments or warehouses. It's nice when a new restaurant comes in here or there, but keep it to the area around Liberty Center or Yankee Kroger and other existing developments. We don't need urban sprawl. West Chester has destroyed what was previously a great community and we have talked about moving away just to get away from it if the creep continues to Liberty Twp. Their crime rate is worse than they let on to residents (I personally know victims or victim's families who have told me of crimes the township works hard to keep out the headlines). If you manage existing properties well, home values will continue to increase and the community will continue to draw new residents - it will just make the market more competitive. Develop more green spaces, parks and walkways connecting the existing developments and housing. Keep the rural feel of our community- development has already gone too far.	9/12/2019 10:43 AM
158	Democrats period. They ruin anything they touch with their godless insane socialist thinking. Build the community out with a conservative, God fearing plan and the people will be respectful and keep our community great. Allow any bit of liberalism to creep in, and it's over.	9/12/2019 10:35 AM
159	Liberty center not making money and paying its debt.	9/12/2019 10:27 AM
160	Planning ahead. If the township continues to grow in population then the need for infrastructure to handle the increase is crucial. I believe the decisions happening in the township now will play a crucial role in keeping the township a desired place to live with all of the great things people like about it.	9/12/2019 10:23 AM
161	Overdevelopment	9/12/2019 9:50 AM
162	Overcrowding	9/12/2019 9:42 AM
163	Unknown	9/12/2019 9:35 AM
164	Mail service	9/12/2019 9:33 AM
165	Traffic. Needs better road infrastructure to ease congestion, lights take too long/ are too short.	9/12/2019 9:24 AM
166	don't do what fairfield has donebuilding apartments instead of new homes or industry	9/12/2019 9:22 AM
167	Unrestricted growth taking green spaces/farms	9/12/2019 9:18 AM
168	Allowing large businesses to abandon their former locations and relocate down the street to build bigger facilities while the cost prevents smaller businesses from being able to afford a location in Liberty Twp.	9/12/2019 9:18 AM
169	Population increases	9/12/2019 9:09 AM
170	Upcoming apartments proposal will reduce my property value. No night life. I dont want to leave my city to nearby. Family oriented areas like Loveland has bike rentals on trails to take family bike riding, walking trails like Forest Park has bike trail, picnic area, paddle boating, fishing and picnic area, ice cream shop but Liberty doesn't have that.	9/12/2019 8:34 AM
171	The water is expensive.	9/12/2019 6:58 AM
172	Improper development	9/11/2019 9:30 PM
173	Too dense of population that will be beyond what the infastructure can support.	9/11/2019 8:09 PM
174	over development crowding the school district	9/11/2019 4:48 PM
175	Nothing very unique and lacking good leadership	9/11/2019 4:37 PM
176	High Taxes	9/11/2019 1:41 PM
177	Traffic	9/11/2019 1:16 PM
178	Disconnected neighborhoods. If you have kids in the high schools there is a sense of community. Otherwise it is easy to feel disconnected from your neighbors. Liberty Center is great, but it is located in the extreme southeast corner of the township.	9/11/2019 12:32 PM
179	Trying to add apartments and shopping centers everywhere - specifically way too close to housing neighborhoods	9/11/2019 12:19 PM
180	High property taxes	9/11/2019 12:11 AM
181	How to fill empty retail space.	9/10/2019 8:59 PM

185	Balancing growth and convenience vs ugly cookie cutter sprawl.	9/10/2019 5:28 PM
186	Traffic. It has gotten too cluttered with housing. Not enough roads to move the traffic. Not enough green space/parks. The closest major park is VOA and that "park" is very limited.	9/10/2019 5:24 PM
187	Funding infrastructure.	9/10/2019 5:09 PM
188	Potential for spillover of crime, drugs from neighboring areas.	9/10/2019 4:51 PM
189	Infrastructure, building roads, off ramps, etc for growth, would love to see more walking/cart trails between neighborhoods	9/10/2019 4:31 PM
190	Over development with more retail space than will ever be needed. Why was my beautiful neighborhood allowed a crappy restaurant and retail to destroy the open free space we were all promised in buying land here. Residential property owners are taxed heavily and for what? More retail space that is tax favored and unnecessary. As the population ages and folks retire they will be left with residential tax burdens that are unsustainable.	9/10/2019 4:30 PM
191	Too fast growth	9/10/2019 4:20 PM
192	Heroin. As I don't have access to the finances and issue list from a trustee's viewpoint, this is hard to answer.	9/10/2019 3:32 PM
193	Traffic, especially on Cincinnati Dayton Road above 129 and at intersection to high school. Road design must keep up with growth and development.	9/10/2019 10:33 AM
194	Haven't lived here long enough to have an opinion.	9/9/2019 3:06 PM
195	Growing too quick and building on all the green space	9/9/2019 1:00 PM
196	I have lived in the immediate area for over 50 years. I have experienced all of the growing pains over the decades. The biggest threat I feel is losing the Townships identity of being a Rural Suburban Community. There is no talent in planning a community. whos only identity is being one giant subdivision /commercial park. It is so easy to allow real estate and commercial property developers, to overbuild the resources of the Twp. I have seen it happen time and again over the decades. The community should take advantage of modern urban planning methods. Maximizing our community for the long term future, not just the immediate future.	9/9/2019 12:23 PM
197	Retail businesses diversity	9/9/2019 10:47 AM
198	lack of housing diversity	9/5/2019 3:59 PM

202	X	9/3/2019 10:00 PM
203	Do not allow zoning change on 747 near Vista Verde. We do not want multi-family section 8 housing.	9/2/2019 2:37 PM
204	More places for kids to play outdoors during the summer.	9/1/2019 11:32 PM
205	Construction blocking major roads making it near impossible going east to west across Liberty Twp.	9/1/2019 1:59 PM

211	Safety	8/30/2019 7:36 PM

212	I think some of the intersections are extremely dangerous. Traveling to the intersection of Mauds Hughes and Kyles Station daily is a severe headache. It is so dangerous and people constantly run the stop signs because they know that two sides of the 4 way can't see them. Also, not having more street lights in our neighborhood is a huge safety concern for the children.	8/30/2019 7:23 PM

218	You are allowing commercial development to drive a wedge between the long term invested (Home Owners) and trust in the Trustees. Some areas already have tight boundaries with commercial property and the idea to drive more commercial into residential is wrong, especially where roads merge together such as 747 into Rt 4. More business is not needed along both. There are plenty of locations that need businesses to move in that are already built, incentives should be made to populate those areas.	8/28/2019 10:03 PM

284	Liberty Township is rapidly growing and, as with all rural areas that experience rapid growth, the two-lane farm roads are becoming increasingly congested. The region is doing its best to widen roads, build regional highways and construct interchanges with I-75 to lessen the burden, but the growth rate is ahead of the construction curve and will remain that way for the foreseeable future. At this writing the Butler county regional highway has been in operation for a few years and has offered much needed relief for East-West commuting. As growth converges from the north (Dayton) and the south (Cincinnati) more regional highways will be required. Taxes are to high for us retirees. If they keep going up we will not be able to afford to stay.	8/22/2019 2:49 PM

The apartments in Liberty Center are struggling to gain residents so adding some 700 more as Village North's Atlanta based developers are proposing will bring massive traffic congestion to roads that are already at capacity during peak hours. Yes I know they have tied in to a local Justin Doyle homes, but he isn't running the show. I've lived in and seen developers ruin communities before by over building. 421	Keeping a balance between residential areas & industrial areas.	8/15/2019 3:04 PM
422	Large population growth in short time	8/15/2019 2:41 PM
423	My personal feeling is the area is building housing at an amazing rate. Ten years ago when I moved here I was impressed by the rural mix. I would hate to see that all go away.	8/15/2019 2:14 PM
424	Growing without losing that rural feeling.	8/15/2019 2:08 PM
425	I would like to see more improvement within Lakota Schools.	8/15/2019 2:07 PM
426	Growth too fast. Too many neighborhoods drawing 200,000 homes. Would like to see nicer neighborhoods going in. Not where they will be run down in 10 years.	8/15/2019 2:07 PM
427	Streets are not updated	8/15/2019 1:49 PM
428	Expansion	8/15/2019 1:49 PM
429	Lack of industry.	8/15/2019 1:39 PM
430	Taxes	8/15/2019 1:36 PM
431	Growing too fast.	8/15/2019 1:34 PM
432	Need more high paying jobs and a way to tax that income to benefit the township. Instead of trying to attract retail (it is necessary) try to increase medical and professional jobs. We need IT, Architects, attorneys, etc. and the office buildings to accommodate them. Not more industrial or warehouses.	8/15/2019 1:32 PM
433	Keeping a balance between country, business and residential.	8/15/2019 1:23 PM
434	The possibility of to much growth or talk of more apartments.	8/15/2019 1:21 PM
435	Speed limit on certain roads going by neighbor hoods - none should be over 40/45. Also, more companies to help with taxes and so people can work in Liberty Township.	8/15/2019 1:15 PM
436	Roadways. Sometimes while sitting in traffic I wonder why we moved here.	8/15/2019 1:13 PM
437	Overdevelopment of land for retail use	8/15/2019 1:12 PM
438	traffic and schools	8/15/2019 12:55 PM
439	Possibility of low income house bringing unwanted issues to the area.	8/15/2019 12:51 PM
440	Traffic and building new homes before having the infrastructure.	8/15/2019 12:51 PM
441	Need more sherif patrols Need post office or at least own zip code (know you have tried in past)	8/15/2019 12:44 PM

442	Rental housing with potential for section 8	8/15/2019 12:41 PM
443	Thoughtless expansion of housing - particularly multi family.	8/15/2019 12:40 PM
444	Traffic	8/15/2019 12:34 PM
445	None that I know of.	8/15/2019 12:24 PM
446	A planned development that is bad for the are on 747.	8/15/2019 12:18 PM
447	Overgrowth/overpopulation. The roads can't handle it.	8/15/2019 12:11 PM
448	Too much growth.	8/15/2019 12:09 PM
449	Too much new development & leaving old empty buildings empty .	8/15/2019 12:05 PM
450	Development	8/15/2019 11:59 AM
451	It's growing faster than the infrastructure can keep up.	8/15/2019 11:57 AM
452	Getting an exit on Millikin	8/15/2019 11:53 AM
453	The rapid increase of taxes is intense and I'm hoping that stops.	8/15/2019 11:50 AM
454	Lack of waking/biking trails Lack of sidewalks Lack of non retail businesses	8/15/2019 11:41 AM
455	High school busing for students.	8/15/2019 11:37 AM
456	Narrow minded residents who dislike anyone who moved here "after them" Afraid of growth and diversity	8/15/2019 11:23 AM
457	Getting too big and new business not paying their share of taxes.	8/15/2019 11:20 AM
458	We are losing green space and the peace and quite that once was the attractive feature of the township	8/15/2019 11:19 AM
459	Sources of tax dollars other than property taxes.	8/15/2019 10:41 AM
460	Loss of rural characteristics	8/15/2019 10:39 AM
461	Using up too much of land for business not leaving open natural space	8/15/2019 10:29 AM
462	Stop trying to grow commercial in and around homes. We moved to liberty township knowing we have to drive to shops.	8/15/2019 10:13 AM
463	?	8/15/2019 10:00 AM
464	Uncertainty around the plans for development of commercial districts. I am concerned that the development will be uncoordinated and diffuse leaving us with acres of paved parking lots between individual businesses as opposed to walkable "downtown" streets with more compact retail/commercial businesses. Liberty Center is a good example of unified development, but how do we accomplish something similar (even if at a smaller scale) in the Princeton and Bethany corridors.	8/15/2019 9:48 AM
465	Managing growth that will build connectedness and avoid overcrowding	8/15/2019 9:46 AM

469	Developers wanting to build apartment complexes	8/15/2019 9:21 AM
470	We need to attract more businesses and invest in our schools.	8/15/2019 9:00 AM
471	Crowding of schools with so many new developments.	8/15/2019 8:25 AM
472	Growth, both good and bad. The bad side comes from major congestion due to constant construction and the need to go back and expand water/sewer for areas.	8/15/2019 8:22 AM
473	Too much road construction all at the same time.	8/15/2019 8:16 AM
474	Planning for growth	8/15/2019 8:13 AM
475	Concerned with Liberty Center. Seems like it has stalled out, and hope it continues to grow.	8/15/2019 8:13 AM

476	Ongoing growth of tax base yet ongoing requests for more property tax. No bussing for the high schools.	8/15/2019 8:12 AM
477	Not sure	8/15/2019 8:07 AM
478	Too little investment in locally-owned business.	8/15/2019 8:03 AM

481	Growing too quickly and roads can't support	8/15/2019 7:33 AM
482	Lack of community feel	8/15/2019 6:55 AM
483	Traffic. And lack of police department.	8/15/2019 6:30 AM
484	Personally its growing so fast its losing the small secure town feel it once had.	8/15/2019 6:24 AM
485	Rapid growth and, keeping up with it.	8/15/2019 6:22 AM
486	Developers trying to bring apartments or other rental properties to LT.	8/15/2019 6:10 AM
487	Over development. Liberty Township is trying to develop every single square inch of land available without the infrastructure to support it. One of the nice things about being in a suburb is having some natural landscaping and not having a city feel.	8/15/2019 6:10 AM
488	Over development - the rural area is what makes Liberty Twp. Beautiful.	8/15/2019 5:56 AM
489	Too big too fast.	8/15/2019 5:55 AM
490	Higher taxes than neighboring towns.	8/15/2019 5:53 AM
491	Access to transit options	8/15/2019 5:40 AM
492	Lack of infrastructure to support growing population. E.g., no community center, limited sidewalks and accessible public spaces	8/15/2019 5:37 AM
493	Too many new homes. Need to stop expanding, there is no room for all these new houses, taking away green space, will lead to horrible traffic and overcrowding of schools.	8/15/2019 5:27 AM
494	Developers trying to incorporate apartments into housing developments.	8/15/2019 5:12 AM
495	Trying to turn itself into a city vs the community it is	8/15/2019 5:05 AM
496	The roads and intersections not being improved to match the volume of traffic	8/15/2019 5:02 AM
497	Overcrowding	8/15/2019 4:29 AM
498	Infrastructure	8/15/2019 1:11 AM
499	High school taxes. Being over 65 it is a hardship on my fixed income, plus no longer having any children in school. Retired people should have a tax break for schools. With all the new communities being built, that means more taxes coming in, so elderly people should get a break!	8/15/2019 12:35 AM
500	Traffic bottlenecks	8/15/2019 12:34 AM
501	Rapid development in the wrong areas	8/14/2019 11:56 PM
502	Risk to quality of life due to overdevelopment and the decrease of property value.	8/14/2019 11:50 PM
503	Desire to grow vs infrastructure. Keep taxes reasonable and pricing of homes is pricing out middle income families.	8/14/2019 11:44 PM
504	overdevelopment	8/14/2019 11:39 PM
505	High Property taxes	8/14/2019 11:38 PM
506	Lowering taxes and schools cost toooo much	8/14/2019 11:34 PM
507	developers trying to build apartment buildings in wildly inappropriate areas	8/14/2019 11:31 PM
508	Same, rapid growth	8/14/2019 11:25 PM
509	Affordable housing.	8/14/2019 7:55 PM

510	Over-development in terms of commercial and residential spaces. Let's keep Liberty township spaces planned, open, green, and inviting. We don't need more strip malls or closely packed homes crowding out the township. Lets not become a congested place to live.	8/14/2019 7:15 PM
